

CERTIFICATE OF ANALYSIS (SPECIMEN)

Acesulfame Potassium | CAS 55589-62-3

|                |                      |
|----------------|----------------------|
| Product        | Acesulfame Potassium |
| CAS Number     | 55589-62-3           |
| Grade(s)       | Food Grade           |
| Batch No.      | As per despatch      |
| Mfg / Exp Date | As per despatch      |

Analysis — Declared Specification vs Typical Result

| <b>Parameter</b>               | <b>Specification</b>                                                | <b>Typical Result</b> |
|--------------------------------|---------------------------------------------------------------------|-----------------------|
| Appearance                     | Refer to TDS                                                        | Conforms              |
| Identification (CAS / Formula) | 55589-62-3 / C $\blacksquare$ H $\blacksquare$ KNO $\blacksquare$ S | Conforms              |
| Assay (as per grade)           | Food Grade                                                          | Within specification  |
| Density                        | N/A                                                                 | Conforms              |
| Solubility                     | N/A                                                                 | Conforms              |

SPECIMEN document showing typical values against declared specification. A batch-specific, signed Certificate of Analysis accompanies every despatch. This specimen is not valid for regulatory submission or customs clearance.
