

## CERTIFICATE OF ANALYSIS (SPECIMEN)

Acetamiprid Technical | CAS 135410-20-7

|                |                                                           |
|----------------|-----------------------------------------------------------|
| Product        | Acetamiprid Technical                                     |
| CAS Number     | 135410-20-7                                               |
| Grade(s)       | Technical 97% / SP 20% / SL 20% / WP 20% / EC 5% / SC 20% |
| Batch No.      | As per despatch                                           |
| Mfg / Exp Date | As per despatch                                           |

### Analysis — Declared Specification vs Typical Result

| <b>Parameter</b>               | <b>Specification</b>                                                                                            | <b>Typical Result</b> |
|--------------------------------|-----------------------------------------------------------------------------------------------------------------|-----------------------|
| Appearance                     | Refer to TDS                                                                                                    | Conforms              |
| Identification (CAS / Formula) | 135410-20-7 / C $\blacksquare$ $\blacksquare$ $\blacksquare$ H $\blacksquare$ $\blacksquare$ CIN $\blacksquare$ | Conforms              |
| Assay (as per grade)           | Technical 97% / SP 20% / SL 20% / WP 20% / EC 5% / SC 20%                                                       | Within specification  |
| Density                        | 1300 kg/m <sup>3</sup>                                                                                          | Conforms              |
| Solubility                     | 4250mg/L water                                                                                                  | Conforms              |

SPECIMEN document showing typical values against declared specification. A batch-specific, signed Certificate of Analysis accompanies every despatch. This specimen is not valid for regulatory submission or customs clearance.
