

CERTIFICATE OF ANALYSIS (SPECIMEN)

Hyaluronic Acid (HA) | CAS 9067-32-7

|                |                                                            |
|----------------|------------------------------------------------------------|
| Product        | Hyaluronic Acid (HA)                                       |
| CAS Number     | 9067-32-7                                                  |
| Grade(s)       | Pharmaceutical Grade/Cosmetic Grade/Food Grade/Multiple MW |
| Batch No.      | As per despatch                                            |
| Mfg / Exp Date | As per despatch                                            |

Analysis — Declared Specification vs Typical Result

| <b>Parameter</b>               | <b>Specification</b>                                       | <b>Typical Result</b> |
|--------------------------------|------------------------------------------------------------|-----------------------|
| Appearance                     | Refer to TDS                                               | Conforms              |
| Identification (CAS / Formula) | 9067-32-7 / —                                              | Conforms              |
| Assay (as per grade)           | Pharmaceutical Grade/Cosmetic Grade/Food Grade/Multiple MW | Within specification  |
| Density                        | N/A                                                        | Conforms              |
| Solubility                     | N/A                                                        | Conforms              |

SPECIMEN document showing typical values against declared specification. A batch-specific, signed Certificate of Analysis accompanies every despatch. This specimen is not valid for regulatory submission or customs clearance.
