

## CERTIFICATE OF ANALYSIS (SPECIMEN)

Thiram Technical | CAS 137-26-8

|                |                                                    |
|----------------|----------------------------------------------------|
| Product        | Thiram Technical                                   |
| CAS Number     | 137-26-8                                           |
| Grade(s)       | Technical 97% / WP 80% / SC 40% / Dust 4% / FS 20% |
| Batch No.      | As per despatch                                    |
| Mfg / Exp Date | As per despatch                                    |

### Analysis — Declared Specification vs Typical Result

| Parameter                      | Specification                                                          | Typical Result       |
|--------------------------------|------------------------------------------------------------------------|----------------------|
| Appearance                     | Refer to TDS                                                           | Conforms             |
| Identification (CAS / Formula) | 137-26-8 / C <sub>4</sub> H <sub>8</sub> N <sub>2</sub> S <sub>2</sub> | Conforms             |
| Assay (as per grade)           | Technical 97% / WP 80% / SC 40% / Dust 4% / FS 20%                     | Within specification |
| Density                        | 1290 kg/m <sup>3</sup>                                                 | Conforms             |
| Solubility                     | 18mg/L water                                                           | Conforms             |

SPECIMEN document showing typical values against declared specification. A batch-specific, signed Certificate of Analysis accompanies every despatch. This specimen is not valid for regulatory submission or customs clearance.
